*O = Organic.
We have sourced mostly Organic and Low Preservative Wines.

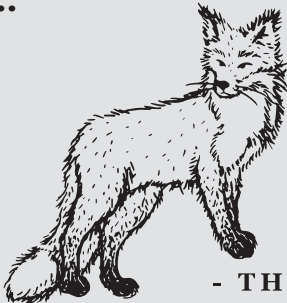

the ways in which his establishment delights.

Prousty's years of experience in the industry and his travels, at home and abroad, have culminated in a venue and a menu that is both delectable and accessible.

From world-class coffee to health conscious snacks, fresh and delicious takes on complex meals and cocktails, and of course, the purpose built wine and tinnie lists.

Never been one to rest on his laurels, even now plans are being hatched for large scale, collaborative social and cultural events.The horizon here at The Tame Fox is stacked.

Watch this space...

Prousty, our witty protagonist, lifted the name of The Tame Fox from his favorite book, The Little Prince. In the book the Little Prince is on a quest for meaning and along the way he befriends a magical fox who teaches him that “what is essential is invisible to the eye” and this has become a personal mantra for Prousty and a guiding principle that has driven the evolution of his dream.

In just one short year Prousty, has grown The Tame Fox from a bustling new café into a sophisticated dining and entertainment experience.

Beneath his exuberant and engaging persona, a thoughtful young man works tirelessly at his craft, carefully curating
